Subject: Uni Marts - Doral Jackpot Promotion

Judy,

I have transferred 2 cases of each brand style (Promotion #801271) and 60 displays (#545462) to the Buffalo Region which are to be used for the Uni Mart locations serviced by McLane Northeast.
There are a total of 75 stores on the store list, 2 of which are Choice locations. Each Uni Mart is to receive 1 sku and the Choice stores are to receive 3 sku's for this September promotion.

I understand that you need to order this product no later that Monday, July 27th in order for it to reach McLane by August 17th.

OK

Until I hear from Curt on what is to be done with the ~~Camel August B2G1F~~ promotion, I will not transfer any product to you. This should be going to retail the week of August 3rd which will be difficult since a 3-week lead time is necessary for ordering. I intend to discuss this matter with Curt and will advise you if Uni Mart will be participating in this promotion.

Thanks so much for your continued support and cooperation, Judy. You can't imagine how much it is appreciated.

Sincerely,

Shellie
